

Hubberts Industries is a family owned business that dates back to 1899 when our founder, Walter Hubbert, opened a butcher shop on Queen Street in Toronto, Canada.

We pride ourselves in exceptional services to our customers in terms of quality and satisfaction. Our products are distributed around the globe and we focus on the production and distribution of lard, tallow, vegetable oils and specialty shortenings.

Our main aim is to deliver budget friendly services without compromising on the quality and value of our products. Our 100,000 square foot facility in Brampton, Canada is HACCP and CFIA (Canadian Food Inspection Agency) Certified, and Kosher and BRC (British Retail Consortium) Recognized.

At Hubberts, innovation and consistency has greatly contributed to who we are today. Our steady growth over the years has made the company a market leader in production of shortenings and oils.

If you have not been using our products, we challenge you to try them today and taste the difference. For more information, please visit our website at [www. hubbertsindustries.com](http://www.hubbertsindustries.com)
