## OUR PHILOSOPHY HAS BEEN THE KEY TO OUR SUCCESS.

Sea Star Seafoods mandate is to maintain our reputation of offering the highest quality products, from a variety of sustainable fish & seafood products, adapted to serve our customers specific requirements.

## HISTORY AND FAMILY

Sea Star is a wholly owned Canadian company specializing in salt fish production. Incorporated in 1983, Sea Star processes and markets quality salt fish to customers in North America, South America and Europe. The business is family owned and operated by Adlai and Fenton Cunningham. Clark's Harbour, the home of Sea Star Seafoods is located in the southwestern part of Nova Scotia, an area famous for its salt fish products.

## OUR PRODUCTS

We carry a full line of Salt fish and other products. They come in many different species and sizes as well as product forms such as split, fillets and bits and different moisture content. Please take a look at our website: ([www.seastarseafoods.com](http://www.seastarseafoods.com)) for a more comprehensive list and details or contact one of our sales team.
