

CHISHOLM

INTERNATIONAL FOOD MERCHANTS SINCE 1938

Ronald A. Chisholm Limited (CHISHOLM), established in 1938, has developed into one of the world's leading independent agrifood dealers, known in every one of its markets as a superior supplier or customer.

CHISHOLM provides a market place to both buyers and sellers.

CHISHOLM's supplier base comprises the producers, exporters and distributors of meat, dairy and food ingredient raw materials worldwide. Our global customer base includes manufacturers, importers and distributors of meat, dairy and food ingredient raw materials.

CHISHOLM is a market maker for its clients and takes on all risk inherent in their transactions providing logistics, finance and currency options, market opinions, research and information.

CHISHOLM continuously provides its suppliers with up to the minute international market information and firm bids for their product, and its customers with up to the minute international market information and firm product offers for their raw material supply.

Headquartered in Toronto, CHISHOLM has offices in Montreal, Moscow, St. Petersburg, St. Louis, Michigan, Itajai, Sao Paulo, Dublin, Paris, Prague, Havana and Guangzhou. CHISHOLM continues to explore and open new trade lanes in order to consistently offer the most international raw material purchasing options to its customers and the most international sales options to its suppliers.
