

In Business Since 1992

Since 1992, Universal Impex Corporation is a manufacturer and distributor of food and beverages that have strived to offer unique seasoning blends and a wide range of other products that caters to the diverse tastes of Gourmet Caribbean Cuisines.

Our brands – Cool Runnings, British Class and Mekong can be found in many recognized chain store operations and independent supermarkets throughout Toronto, the Greater Toronto Area and nationwide in Canada. In fact, the popularity of our brand has grown so that we are also found in many other countries worldwide.

Our product line also include products like, sugars, baking products, flavourings, fruit jams, hot pepper sauces, sweetener whitener, drinks (sodas, nectars, energy drink) and also specialty items like coconut oil, coconut milk, coconut water, plantain chips, unique sauces, and marinades. Our products are high quality, versatile, and most importantly, affordable.

Universal Impex Corporation's objective goal during this event is finding distributors who can distribute our products in Barbados and other Caribbean islands.
