

Canadian Food & Beverage Showcase-Barbados

Nature's Finest Produce Ltd, is a packing facility for fresh carrots, potatoes and onions that are grown by our own farm team located in Chatham-Kent Ontario. Our packing facility as well as our farm, is Food Safety Certified under CanadaGap. Nature's Finest Product Ltd continues to grow and strive for excellence in serving their existing customers as well as new customers.

Our objective in attending the Canadian Food & Beverage Show, is to represent our products and develop new business relationships.
